

**BUILDING
COMMUNITIES**
2011
Burnaby, British Columbia

May 8-11, 2011

:: Delta Burnaby Hotel
:: Burnaby, British Columbia

The Canadian Network of Asset Managers (CNAM) will be holding its 2011 Workshop at the Delta Hotel in Burnaby on March 8 – 11, 2011. “Centered on the theme Building Communities, CNAM 2011 in Burnaby, British Columbia, promises to deliver leading edge professional development and networking opportunities to help municipalities of all sizes extend the framework, focus and vision of their asset management program.”

The CNAM Workshop will see presentations from the following National Water and Wastewater Benchmarking Initiative participants: City of Edmonton; City of Winnipeg; City of Abbotsford; Region of Peel; City of Prince George; City of Calgary; City of Hamilton; City of Cambridge and the District of West Vancouver.

David Main will be presenting with Phil Bates from the District of West Vancouver on “*Strategic Infrastructure Replacement Planning - The Second Mile*”.

Chris Lombard will be presenting with Frank Blues of the City of Prince George on: “*Implementing a Successful Asset Management Program in the City of Prince George: What We Have Learned Over the Past Seven Years*”.
